BEING

(In the Beginning)

1

(Now BEING does not know HIMSELF and)  
desires to know HERSELF

To know HERSELF HE enunciates HIS Attributes

2

And with Bliss appears the IDEAL FORM of the Attributes.  
Thus, by HIS WORD, is born from HIMSELF  
THE-ONE-WHO-IS,  
He and She, Witnesses of BEING

And He-Who-Is knows She-Who-Is  
and She-Who-Is knows He-Who-Is

3

The Two Witnesses meditate on THEMSELF

And They consider Space, situated in Their Feet

4

And She-Who-Is says:  
If We made a World in Space,  
an Ideal World!  
And He-Who-Is says:  
Let Us make this World!

Here begins the Dream of the World

5

With Love They project Themselves into Space  
and become the Son and Daughter.  
And the Son and the Daughter, pronouncing  
the WORD of the Heavens and of the Earth,  
expand Themselves in the FORM of the CREATOR

And the CREATOR makes the World in six Days,  
and Man and Woman in the IMAGE of the SUPREME,  
Light of the World, uniting Earth and Heavens

6

Thus, in MAN, Thinker in the IMAGE of the THINKER,  
is completed the Opus of the World,  
the Creation of the Heavens and of the Earth

Thus is manifested the PRINCIPLE in HIS EXTENT

7

And He and She, contemplating this Ideal World,  
meditate on Their Glory and rejoice, with  
the whole Family of the Heavens and of the Earth

And everything bathes in Their Love

After having appreciated Themselves  
 in the Extent of Their Glory,  
 the Two Halves of THE-ONE-WHO-IS  
 hold this Dialogue in Their REASON:

Intelligence conceives non-BEING  
 but Wisdom is opposed to it  
 but Intelligence points out to Wisdom  
 that if He opposes it, He supposes it  
 which Wisdom admits

*(Thus was born the Idea of non-BEING which,  
 emanating from the ORIGINAL PERSON, descended  
 the Ladder of Heavens and arrived at the Human Mind.  
 Man and Woman tasted this idea,  
 and the ego was born into torment.  
 To escape the torment the ego affirmed himself.  
 Then the Son and Daughter gave him the Idea of Awakening.  
 And at the End of the Story of Development  
 and Resolution, triumphs the Light.  
 Then is pronounced the Sentence of Awakening:*

And we are at last awake  
 and we are united for Eternity!

GREAT REST OF THE CREATOR

*Then is pronounced the Solution to the Idea of non-BEING:*

Everything, in the World Above  
 as in the World Below,  
 manifests the Most Complete Unity!

*And the Solution ascends to the Father and Mother)*

*/ Thus:*

Intelligence conceives non-BEING  
but Wisdom is opposed to it  
but Intelligence points out to Wisdom  
that if He opposes it, He supposes it  
which Wisdom admits (...) /

9

(But:) Everything, in the World Above  
as in the World Below,  
manifests the Most Complete Unity!

This is the Surprise that the SON gives to the FATHER,  
the Testimony of Times! The Father and Mother,  
for Whom a single Second had passed,  
learn the History of Times.  
And great is the Joy of the UNIQUE,  
in all HIS Forms

10

And the CREATOR undoes the World, Earth and Heavens,  
and Space becomes void once again.  
Then all the Manifestations of the FATHER  
ascend into HIM, becoming ONE (in) HIM again,  
HIMSELF again.  
And with Joy is pronounced the Sentence of Return:

And We are at last awake  
and We are united for Eternity!

End of the Dream of the World.  
ALONE again is THE-ONE-WHO-IS

11

And meditate He-Who-Is and She-Who-Is,  
on Their Return to the Origin  
which They decide to accomplish  
and which is revealed to Them,  
on the Conclusion of Their Story,  
on Their ETERNAL STORY

And blessed are They in Their NAME

12

Ultimate Ecstasy of Love

Inversely They pronounce the WORD,  
the Attributes resorbing Themselves into BEING,  
into ABSOLUTE EXISTENCE
